2012 marks the 100<sup>th</sup> anniversary of the founding of Girl Scouts and the 175<sup>th</sup> anniversary of the founding of Carmel. To celebrate these significant milestones, Troop 2652 at Cherry Tree Elementary and the Carmel Clay Historical Society invite all Carmel Girl Scout troops to help create two special projects honoring our community.

### Celebration Banner

- Troops create 1-4 fabric squares that illustrate a historical fact(s) about Carmel.
- Please use 6 x 6 squares of a sturdy, sewable, cotton fabric.
- Do your own research or find facts on the Carmel Clay Historical Society web site.
- Decorate your square(s) creatively with fabric markers, fabric scraps, felt, stitching or any other ideas you have!
- Personalize a partial or entire square with your troop number, or a fun fact about your troop, or your girls' names.
- If your troop creates multiple squares that attach in a certain order, please provide instructions or tape loosely together.

### Historical Quilt

- Troops create 1-4 paper quilt squares based on patterns that were popular 175 years ago and/or have historical significance to our area.
- For each one square you create please use a 12 x 12 sheet of scrapbook style paper as your base.
- Choose a quilt pattern from the suggested options on the Carmel Clay Historical Society web site (Plan Your Visit>Scout Groups).
- Use any kind of paper or paper scrap and glue to make a replica of your chosen quilt pattern.
- Write your troop number and the name of your chosen pattern somewhere on the square.
- Troops may make up to four squares; squares can be the same pattern or four different patterns.
